

**COLTON ELECTRIC UTILITY SOLAR INCENTIVE PROGRAM FOR 2008
PV SYSTEM APPLICATION
Systems Larger 30 kW AC**

1. Project Site Address _____ Colton, CA 92324

Electric Account No. _____

2. Host Customer Check if Applicant

Company Name: _____

Contact Name: _____

Mailing Address: _____

If not same as above

Phone: _____ Email: _____

3. Seller Check if Applicant

Company Name: _____

Contact Name: _____

Mailing Address: _____

Phone: _____ Email: _____

License No.: _____ Class: _____ Exp. Date: _____

4. Installer (if different from seller) Check if Applicant

Company Name: _____

Contact Name: _____

Mailing Address: _____

Phone: _____ Email: _____

License No.: _____ Class: _____ Exp. Date: _____

5. System Owner (if different from Host Customer) Check if Applicant

Company Name: _____

Contact Name: _____

Mailing Address: _____

Phone: _____ Email: _____

6. System Equipment

PV Modules

Array No.	PV Manufacturer	Model No.	PTC Watts / Module	Quantity
1				
2				
3				
4				

Inverters

Array No.	Inverter Manufacturer	Model No.	Efficiency	Quantity
1				
2				
3				
4				

**COLTON ELECTRIC UTILITY SOLAR INCENTIVE PROGRAM FOR 2008
PV SYSTEM APPLICATION
Systems Larger 30 kW AC**

Generation Output

Array No.	Power (CEC kW ac)		Tilt (degrees)	Azimuth ((degrees)	Annual Shading %
1					
2					
3					
4					

TOTAL System kW ac

Tracking system description

7. System Cost

Modules: _____	10. Estimated Annual Energy (kWh): _____
Inverters: _____	<i>(use EPBB calculator)</i>
Other (fees, construction): _____	11. Estimated Performance Incentive: _____
Labor (design, install): _____	Rebate Level (\$/kWh)*: _____
TOTAL COST: <input type="text"/>	Estimated Total 5- Year Incentive** _____

* Rebate Level depends on the size of the PV system, and the current rebate step. Verify at (909) 370-5561

** Actual incentives are paid based on measured monthly kWh and the rebate level (\$/kWh)

8. Attachments

- Colton Electric 1 Year Bill History (from CEU)
- Purchase Order / Contract for PV System equipment and installation
- Printout of EPBB estimate of Annual Energy Production
- Shading Analysis (if not minimally shaded)

9. Terms and Conditions

Eligible participants must be current customers of Colton Electric Utility (CEU). The parties agree to comply with all terms and conditions established by the CEU Solar Incentive Program. CEU reserves the right to cancel or modify the incentive if the actual installation differs from the installation described in the CEU Solar Incentive Application, if the system fails inspection, and/or is not installed by the date listed by the claim form. CEU reserves the right to verify project costs were incurred as submitted in the Program Application.

10. Signatures

HOST CUSTOMER	SYSTEM OWNER <i>(If different Host Customer)</i>
Signature: _____	Signature: _____
Print Name: _____	Print Name: _____
Date: _____	Date: _____
SELLER / INSTALLER	Colton Electric Utility
Signature: _____	Signature: _____
Print Name: _____	Print Name: _____
Date: _____	Date: _____

Return with **ORIGINAL** signatures to:
 PV Program Manager | City of Colton Electric Utility | 150 S 10th Street, Colton, CA 92324
